Scuttermgate,  
Hedon.  
E. Yorks.

The Worshipful the Mayor, Aldermen and Councillors of the Borough of Hedon.

Gentlemen,

I have the honour to present the following annual medical report for the year 1947.

The population of the Borough has risen to 1303. During the year there were 36 live births, of which 15 males and 18 females were legitimate, and two male and one female illegitimate.

There were three female still births, all of which were legitimate.

One male illegitimate child and one female legitimate child died under the age of one.

There were 28 deaths, of which 12 were male and 16 female.

The causes of death were as follows :-

T.B.	-	1 Male.	3 Female.
